On behalf of our band members and the Thousand Oaks High School (TOHS) Band Booster Organization, I would like to personally thank you for your support of our program.

We have been fortunate to have achieved unprecedented success for more than 20 years. The program continually supports more than 11 performance ensembles that include three Concert Bands, three Jazz Bands, Drum Line, Percussion, Color Guard, Winter Guard and Marching Band. These ensembles boast a combined membership of over 400 performers. Our goal is to provide the students with quality music, instruments and instructors, and opportunities to showcase our talents as we travel representing our school, city, state and nation.

As the economy tightens, so does the ability to continue a nationally ranked Instrumental Music Program. We need your help!!

Community support is vital to our students' success. The TOHS Instrumental Music Department receives very limited monetary support from our district, and therefore depends on annual contributions in order to meet the needs of our budget. The TOHS Band Booster Club, Inc. is a parent organization providing fundraising support for all TOHS band programs. We are a 501(c)(3) non-profit organization, so contributions are tax deductible to the extent permissible by law.

To become a sponsor is to make an investment- not only in the advertising benefits you will realize - but an investment in our students and their future success.

Thank you in advance for your generosity and support.
